

Position: Graduate Associate Intern (Ongoing)

Location: Chicago, IL

Compensation: Unpaid

Company Profile:

Bronner Group, LLC (BRONNER), a Chicago-based, Government audit and assurance, technology, and professional services management consulting firm, is seeking a motivated self-starter with an interest or experience in the public sector or in consulting,

BRONNER is a respected, woman-owned firm with over two decades of experience delivering high-quality, cutting-edge solutions and services to government clients of all types, sizes, and situations. Our engagements range from traditional management consulting offerings, such as enterprise-wide strategic planning; audit and assurance; change management; oversight and compliance; organizational assessments; and, meeting facilitation, to more specific niche offerings, such as grants planning and management; executive search; partnerships brokering; alternative revenue sourcing; and, transition management. Because of our boutique size and vast network of nationwide subject matter experts (SMEs), BRONNER has the flexibility to diversify and tailor its service offerings to meet respective client needs. This means exciting work for the right candidate and especially satisfied clients who are accustomed to receiving personal attention and expedient results.

Experience at BRONNER:

Working at BRONNER is fast-paced, exciting, and on the cutting-edge of policy and best practices in a variety of industries. As a Graduate Associate, you will be responsible for a wide variety of tasks including issue analysis, best practices research, recommendation development, and presentation drafting. Your experience at BRONNER will enhance your consulting skills as well as project development and proposal skills.

The Right Candidate:

BRONNER is seeking a highly personable Graduate (or extremely advanced Undergraduate) Associate who can adapt to a variety of situations and personalities, is eager to learn the business of public sector consulting, and is passionate about government, to support our Strategy Team. We encourage you to apply if you are:

- an innovative and actionable thinker
- a fast worker
- an excellent communicator
- a team player
- a problem solver
- self-directed and highly organized
- have experience with social media and/or marketing (developing materials)

To apply, submit your **resume, a 2-page (minimum) writing sample, and an unofficial transcript** via email to
